

AFCA Scholarships for Filipino Canadian Accounting Students

The Association of Filipino Canadian Accountants (AFCA) is proud to announce the launching of its Scholarship Program for 2021.

The mission of the AFCA Scholarship Program is to provide financial assistance to Filipino Canadian students in Ontario who are pursuing a career in Accountancy. This is AFCA's way of giving back to the community, who have always been supportive of our various programs and projects through the years.

Most of AFCA's past scholars have been successful in their accounting career - getting their professional designations and are presently working in senior positions in their place of work.
